New probe into deaths at hospital

A NEW criminal investigation is to take place into the deaths of hundreds of patients who were given "dangerous" levels of painkillers at a hospital.

An inquiry found 456 patients died after being given opiate drugs at Gosport War Memorial Hospital between 1989 and 2000.

A review has since been carried out by Kent and Essex Police to assess if there was "sufficient new evidence". Relatives have been told a "full investigation" will begin.

Three previous probes into 92 of the deaths by Hampshire Constabulary resulted in no charges being brought.

Asst Ch Const Nick Downing, head of serious crime at Kent and Essex Police, met relatives at a meeting in Fareham.

He said: "This is a highly complex and emotive case that some family members have been living with for more than 30 years, and I would like to thank them for their continuing patience."

Two held over freezer deaths

A SECOND man has been arrested on suspicion of murder after the bodies of two women were found in a freezer by police.

A man aged 34 was taken into custody yesterday, a day after a 50-year-old man was also arrested, as detectives attempt to identify the women, who were found in a flat in Canning Town, east London.

The Metropolitan Police have released no further details about the women and the force said it was trying to trace and speak to their next of kin.

Officers were called to the address on Friday morning following local "concerns for the welfare of an occupant".

'I'm basically driving around in an obscene publication...'

A YOUNG businessman's golden Porsche has just got a makeover... and it definitely WASN'T asked for.

Lak Sira, 22, appears to be the most unfortunate driver in Britain after suffering another blow to one of his prized gold motors. He parked his £80,000 Porsche Panamera in Knightsbridge, thinking it would be safe in the upmarket neighbourhood of west London.

But he returned to find 'WANKER' and 'SHIT' spray-painted in huge black writing all over the once-pristine car.

In disbelief, he wrote on Instagram: "I can't believe someone did this man."

Just a few months ago Lak saw his £125,000 Lamborghini Gallardo burst into flames on a motorway - just an hour after he picked it up.

Many cruel people online found the sight of a crass young millionaire's tasteless motor daubed with such apposite graffiti rather amusing.

Others pointed out that it reflected an episode of Alan Partridge when the words "Cock Piss Partridge" are spray-painted (above) on the hapless radio presenter's car.

HANDS OFF OUR BOLLOCKS!

Bodysnatchers banned from grabbing the dead's balls

DOCTORS will be banned from snatching your bollocks for transplant when the new presumed consent organ donation system comes into force in England next year.

From 2020, adults will be considered to be in favour of donating after death unless they have opted out.

A new consultation document lists which organs and tissues are allowed to be taken under this system.

Organs and tissues that can be taken without extra consent

By JAYNE FERGUSON
news@sundaysport.co.uk

under the new system include: heart (whole organ or for heart valves); lungs; liver; kidneys; pancreas; intestinal organs (small bowel, stomach, abdominal wall, colon, spleen); eye; nervous tissue; arteries; veins/blood vessels; bone; muscle; tendon; skin; rectus fascia (tissue that encases abdominal muscles)

Ones that would need explicit permission include: brain; spinal cord; face; nose; mouth; trachea (windpipe); arm; upper arm; forearm;

hand; finger; leg; thigh; lower leg; foot; toe; ovary; uterus; penis; testicle; foetus; placenta; umbilical cord; embryo (inside the body); eye cells that will be used to make medicinal products; liver cells that will be used to make medicinal products; pancreatic cells that will be used to make medicinal products.

People have until 22 July to give their views on the proposals.

Currently, in England, there is a voluntary opt-in scheme. Presumed consent has been operating in Wales since December 2015.

When the new system starts

in England, the family of the deceased will be consulted first and they will still be able to provide information on their loved one's wishes.

If they have information that their loved one would not have wanted to donate their organs or tissues, organ donation will not go ahead.

You can register your choices on the NHS Organ Donor Register.

If you don't opt out, it doesn't mean your tissues and organs will automatically be used. Organ donation can happen in only a small number of cases - when there is a good match between donor and recipient.

Brit opera to tell story of ex-Russian spy's murder

A BRITISH opera will tell the story of the assassination of Russian dissident Alexander Litvinenko.

The former FSB spy and UK citizen (below) was poisoned with radioactive polonium-210 in a London restaurant in 2006.

He died more than three weeks later.

The *Life And Death Of Alexander Litvinenko* will premiere at Grange Park Opera in Leatherhead, Surrey, in July 2020.

The story will be told in

a series of flashbacks and flash-forwards, covering the events in Russia that led Litvinenko to seek exile in the UK.

Film footage from the time will be projected on to screens throughout the performance.

British-Australian tenor Adrian Dwyer will play the title role.

The cast of characters includes Litvinenko's wife Marina, the late Russian oligarch Boris Berezovsky and the head of the FSB, Russia's secret service.

Marina reportedly gave permission for the treatment of her late husband's story.

MURDER PLOT WHITE SUPREMACIST JAILED

A WHITE supremacist loner who planned a mass killing spree in his home town in Cumbria has been jailed for nine years.

Shane Fletcher, 21, from Workington, wanted to emulate the Columbine High School shooters, who murdered 12 students and one teacher at their school in Colorado in 1999 before killing themselves.

Fletcher's target was a version of a medieval football game, the Uppies and Downies, which sees thousands gather in the

streets each Easter to play and spectate.

Fletcher (left) had spoken of his hatred of Workington and how easy it would be to get a van and plough down people, after being bullied in his teenage years.

Passing an extended sentence at Manchester Crown Court, Judge Patrick Field QC told Fletcher it was a "deeply troubling case" in which the defendant was

motivated by hatred, revenge and nihilism.

Fletcher must serve at least two-thirds of his custodial term.

Classing him as a dangerous offender, the judge noted Fletcher's obsessions with mass killing spree murderers - including Cumbrian taxi driver Derrick Bird - along with his hatred of various religious and ethnic groups, women and homosexuals.

GUESS WHAT CHINA'S TOP MAN HAS BEEN PEKING AT?

**LUCKY
OLD XI:**
President

in GoT

CHINA'S President Xi Jinping is a massive FAN of *Game of Thrones* – and gets a specially-edited version that's all knockers and nookie.

The top-rated fantasy show is specially-edited for Chinese audiences to remove much of the sex and nudity, which are considered taboo in the godless People's Republic.

But President Xi – thought to be the second most

powerful ruler in the world after Donald Trump – decreed he wanted the X-rated stuff put back in, while asking for the “boring bits” to be chopped out.

Sky TV's fantasy drama is as much a smash hit in China as anywhere else around the globe.

With the show in its final season, it appears even the Chinese leader has been unable to resist the phenomenon.

Chaotic

A government official said of President Xi's special version of GoT: “We call it the diamond version.”

The Chinese leader recently showed his affection for GoT in public, telling his aides and foreign guests at a Beijing meeting that “we must all make sure the world we live in does not descend into the chaotic warring seven kingdoms of Westeros”.

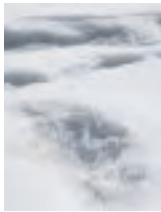

Xi has Premier of the State Council Li Keqiang to discuss the latest episodes with, as

Li has apparently been watching too.

During a recent summit in Dubrovnik, Li said: “While *Game of Thrones* is reaching its end, the new round of 16+1 [Central & Eastern European countries + China] cooperation is beginning... because this is not a ‘game’, but a reflection of win-win cooperation.”

Army's yeti footprint find slammed online

THE Indian army has claimed to have found footprints of the yeti.

The army tweeted to its nearly six million followers on Monday that it had discovered "mysterious footprints of mythical beast 'Yeti' at the Makalu Base Camp in the Himalayas".

The yeti – a giant ape-like creature – often figures in South Asian folklore.

Also known as the Abominable Snowman, the yeti is a legendary creature that is said to inhabit the upper reaches of the Himalayas and in parts of India, Nepal and Bhutan.

There is no evidence proving it exist but the myth retains a strong appeal in the region.

And the army has now added to the legend by sharing pictures of "footprints" in the snow.

They were given a roasting on social media but reacted to the disbelief by saying the "evidence" about the yeti had been "photographed" and "handed over to subject matter experts".

Fact me!

Forensics in crisis, warns Lords report

FORENSIC science in England and Wales is in crisis, raising the risk of crimes going unsolved and miscarriages of justice occurring, a new report warns.

Services pivotal to the criminal justice system are "in trouble", according to the House of Lords Science and Technology Committee.

It argued that unless failings are recognised and changes made, public trust will continue to be lost, adding: "Crimes may go unsolved and the number of miscarriages of justice may increase."

"Forensic science in England and Wales is in trouble. The time for action is now."

Committee chairman, Lord Patel, said: "Our forensic science provision has now reached breaking point and a complete overhaul is needed."

Sport MIDWEEK INVESTIGATES...

WHY **ARE** SO MANY WOMEN SUCKING MINGE?

Quarter of girls are hot for lesbo sex

By ROY DURRIDGE news@sundaysport.co.uk

MORE and more women are shunning the cock to get stuck into minge, a new report shows.

A study of 3,129 ladies revealed a whopping one-in-four babes fantasise about having a same-sex romp.

The same survey showed that only 16 per cent of men have thought about sex with another bloke and just 14 per cent of those had actually done it.

The results were reported following an investigation into sexual fluidity in women – particularly those who left their male partners for a lesbian relationship in their 50s.

Professor of psychology Lisa Diamond said: "If you have lived your life focusing on being a good wife and mother, it's easy to set aside your own desires. Certainly, our culture doesn't encourage women to prioritise their sexual desires."

Desires

"But it is also the case that sexual desire is a dynamic, changeable phenomenon, and it is possible to develop truly novel desires at any stage of life."

But Lisa – who led the study for the University of Utah – says "coming out" later in life is not without its challenges.

She added: "I think it can definitely be harder for older women to tell their friends they are in a same-sex relationship. Our friends and family often have a pretty rigid notion of who you are by the time you hit a certain age."

So why are women getting more keen on minge?

Maybe they've been influenced by showbiz babes who certainly lead in lesbianism.

We take a look at some famous scissor sisters...

ANNA RICHARDSON & SUE PERKINS

NAKED Attraction host Anna Richardson, 48, had an 18-year relationship with TV director Charles Martin before meeting her now partner Sue Perkins at a party in 2013.

Perkins had previously been in a relationship with comic Rhona Cameron, who 'outed' Sue when she appeared on *I'm A Celebrity... Get Me Out Of Here!*

She said afterwards: "Being a lesbian is only about the 47th most interesting thing about me."

MARY PORTAS & MELANIE RICKEY

QUEEN of Shops Mary Portas, 58, fell in love with fashion editor Melanie Rickey after her divorce from husband Graham, with whom she has two kids.

The super-sharp, ginger-bobbed businesswoman had, publicly anyway, never ventured into the world of girl-on-girl before meeting Melanie.

But it's probably the best deal she's ever made.

CARA DELEVINGNE & ASHLEY BENSON

GORGEOUS Cara Delevingne, 26, shocked no-one when she hooked up with lovely Ashley Benson.

The catwalk queen and actress has happily talked about her free approach to what happens in her bedroom.

And let's be honest – who wouldn't want to see Cara getting furiously fanny-munched by Ashley?

SPICE Girl Mel B hit the headlines by claiming she'd once had a brief lesbian tryst with Ginger Spice, Geri Horner. Geri hotly denies the claim – which has long been rumoured – while the rest of the band seem to be looking in the other direction. But Mel's girl-on-girl fun has long been known – not least because she never stops telling us!

Monkey bite sparks hunt for its owner

A MYSTERY monkey man is being hunted by animal officers after his pet BIT a passer-by. The squirrel monkey was pictured wearing a lead and a nappy as it was paraded at a fair by its owner.

But one fair-goer was left needing hospital tests after he was twice bitten by the animal.

Staff at the fair in Leckwith, Cardiff, claim they do not know who the monkey man is.

Now animal welfare officers are trying to trace the owner – to protect the monkey.

The RSPCA's Ros Clubb said: "Primates are highly intelligent animals with complex needs that can't be met in a home environment.

"However well intentioned an owner may be, they are not suitable as pets.

"We are concerned as to whether there is a growing problem in Wales of primates being kept as pets.

"We believe the time has come for the Welsh Government to act, and want to see an outright ban on the keeping and trade of primates as pets in Wales."

ARTISTS are posting photos of themselves eating bananas to protest the removal from a gallery of a work featuring the fruit dubbed "obscene".

The National Museum in Warsaw argues the 1973 video by Natalia LL showing a young woman eating a banana "with great pleasure" can be harmful to young people.

ELLEN DE GENERES & PORTIA DE ROSSI

MARRIED *Ally McBeal* star Portia de Rossi, 46, raised eyebrows when she exited the closet – and her marriage to filmmaker Mel Metcalfe – to become partner with comic and chat show host Ellen DeGeneres.

The stunning blonde in the legal eagle drama was always thought to be a dyed in the wool heterosexual.

But when she clicked with Ellen – and got married to her – her many male admirers had to reluctantly step aside.

TELLY CHRIS HAS GOT WOOD!

COCK UP: Chris with his penis

By COLIN HURST news@sundaysport.co.uk

TV wildlife expert Chris Packham says he has been sent SHIT in the post and death threats after backing a legal challenge which resulted in restrictions on shooting "pest" birds.

The BBC *Springwatch* presenter revealed he had received "threats of a very serious nature" against him and his family, and had dead crows hung on his property.

But there's a lighter side to the threats...

A COCK 'N' BALLS painted on a block of wood that was sent to the presenter has now reached £2,000 after Chris put it on eBay!

He was part of an action which resulted in Natural England revoking three general licences which allowed the shooting of 16 species of bird, including crows, magpies, Canada geese and feral and wood pigeons.

Excrement

He told *Good Morning Britain*: "The police have spent quite a considerable amount of time at my house over the last few days.

"We've had packages sent containing human excrement. Last night, I can't speak too much about what happened last night because I haven't been in touch with the police yet."

Asked if there was another threat, he said there was a "much more serious thing", adding that he had received

STONE THE CROWS: Dead birds

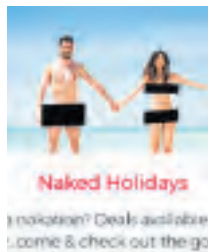

"death threats of a very serious nature".

Chris said it is not just his family being targeted, but firms he works with, adding: "What worries me is that the charities that I'm affiliated with, the small businesses that I work for, these people aren't set up to take this sort of abuse, and yet they've had to close their websites, their TripAdvisor accounts have had to be shut

down, because they've been bombed by these bullies who want to take aim at me."

Farming bodies including the British Association of Shooting and Conservation (BASC), Countryside Alliance, and the National Gamekeepers Organisation have written to Environment Secretary Michael Gove calling on him to investigate Natural England's decision.

The collection is "specifically designed for nudists, nudists, swingers and other free spirits embracing body positivity".

Claire Willoughby, the firm's product director, said: "We are constantly looking at ways to

improve our holiday and deals offering.

"Naturist, nude and hedonistic holidays were seen as quite niche in the past, but it is a rapidly growing sector, which is why we are giving it its own dedicated collection."

Holidays include an all-inclusive package to Temptation Resort, a "playground for grown-ups" in Cancun, Hedonism II, an "exotic, adults-only" resort in Jamaica, and Desire Resort and Spa, an "adults only playground" in Mexico.

The holiday sector for naturists has been steadily expanding over the last few years.

Corrie's Faye is leaving for pastures new

CORONATION Street lesbian Faye Brookes has says she is leaving the soap for "pastures new".

Actress Faye (above), 31, has appeared in the soap since 2015 as Kate Connor, best known for her relationship with Rana Habeeb, played by Bhavna Limbachia.

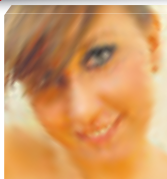

The couple were fondly dubbed "Kana" by fans, although Rana was killed off on their wedding day in March.

Faye tweeted: "Thanks to everyone for your amazing support, but after 4 fabulous years in Weatherfield it's time for me to explore new opportunities."

She added: "I've loved playing Kate Connor, but she needs a break for a little while and so with a song in my heart I'm off to pastures new. #kana #corrie."

Faye's departure comes after Bhavna, who played the show's first ever gay Muslim, announced in January that she'd be leaving.

The study involved reading children a book in which the main character had either a normal-sized or larger body.

NAKED STUNNA TWATS FELLA WITH WINE BOTTLE

FURIOUS ROW:
Busty beauty Oxenford

A WOMAN bashed her boyfriend with a wine bottle while naked during a furious row.

Amelia Oxenford, 21, had been out drinking with Alex Buttigieg before they went to the Ascot Hyde Park Hotel in London's Bayswater.

CCTV footage from the three-star hotel showed her lunging at him while naked in the corridor, before throwing an empty wine bottle at him.

Oxenford later smashed a glass in their room and cut him across the nose with a shard, while she also broke his glasses.

The pair had been together nine months before splitting up, only to reunite a month later.

Gash

But City of London Magistrates' Court heard they argued because Oxenford had seen another man during their time apart, with their row spilling into the corridor.

The pair ended up locked out of their room but continued to argue after getting back in with a spare key.

Oxenford then cut Mr Buttigieg's nose with the broken glass, leaving a one-inch gash.

Prosecutor Trevor Green said: "On the CCTV she can be seen

naked and lunging at the victim.

"He said she threw an empty bottle of wine at him and there was a brief tussle when she reached out for the spectacles on his face and one of the arms were snapped off."

Vet worker Oxenford, of Royston, Cambs, was convicted of assaulting Mr Buttigieg on January 16 and causing £300 worth of criminal damage to his spectacles.

Oxenford was bailed for sentencing on May 2.

Luxury estate in swingers storm

WEALTHY residents living on a luxury waterfront estate have blasted swingers for using exclusive homes for their raucous sex parties.

Well-heeled Aussie couples are paying the owners of multimillion-dollar homes up to £50 a head to get into the X-rated events.

The Hope Island estate, on Queensland's Gold Coast, contains two properties

which are reportedly being used by groups of swingers.

Pictures from one house shows a basket of lube and condoms on a bedside table.

One resident took a photograph showing two naked women standing on a balcony surrounded by men.

But one relaxed neighbour said: "Doesn't fuss me. What goes on behind closed doors usually stays there."

FIRST DATE SEX GETS THUMBS UP!

Leads to romance for a third

HAVING sex with a new partner on a first date has led to romance for a third of couples, according to a new survey.

Lots of couples end up in bed the first night they meet – 58% of men have done it and 56% of women.

And it has led to a proper relationship for 36% of women and 34% of men.

Women are slightly more wary than men of partners who want to jump into bed straight away.

One in six women (17%) said they would think less of someone if they had sex on the first night, compared to 11% of men.

The results are revealed in a

new survey of 2,000 people by IllicitEncounters.com, the UK's leading dating site for married people.

It found that 64% of women and 62% of men had wanted to have sex with someone on the first date but had held back because it was too soon.

Far more women (40%) have regretted jumping straight into bed than men (27%).

Most women (82%) and 73% of men admitted to first night nerves when they have sex with a new partner.

The biggest insecurity for women was worrying about their appearance (84%), followed by their sexual performance (69%) and how they will compare with their partner's previous lovers (61%).

The biggest insecurity for men was their sexual performance (82%), followed by how they compare with their partner's previous lovers (57%) and their appearance (54%).

IllicitEncounters.com spokeswoman Jessica Leoni said: "The clear message is that if you want to have sex on a first date, do it."

"We have all grown up about sex and only prudes are going to think any less of you if you jump into bed on the first night."

"Online dating has speeded up the way we date and this has resulted in couples initiating sex on first dates far more quickly."

"We are leaving behind the old-fashioned attitudes where people are judged on their sexual behaviour."

IllicitEncounters has seen a 25% rise in registrations in the first three months of 2019 and a surge of activity over Easter.

HAIRDRESSERS GET POPE RAP

POPE Francis yesterday warned an audience of hairdressers, hairstylists and beauticians that they should cut out the chat and avoid gossiping.

During the meeting at the Vatican, he advised the group of 230 pilgrims to follow their patron saint Martino de Porres, canonised in 1966 by his predecessor Paul VI.

The barber-surgeon was made a saint for his miracles of levitation, being in two places at once, instant cures and communicating with animals. He is also the patron saint of mixed-race people.

His Holiness said: "Much like Porres, whose job

covered haircuts, amputations and bloodletting, each of you, in your professional work, can always act with righteousness.

"Practice your profession in a Christian style, treating customers with kindness and courtesy, offering them encouragement.

"And avoid succumbing to the temptation of chatter which is easily associated with your field of work."

The 43-year-old singer is set to reunite with bandmates Mel C, Geri Horner and Emma Bunton next month for their special UK tour.

And she said crews working on the shows might be in for a shock as there are no closed doors between the members, even when they're using the loo.

"We got a reputation for going to the loos together in clubs."

Screws rapped for lags' shag

THOUSANDS of prison staff have been subject to disciplinary action in the past five years for shagging inmates, assaulting prisoners and racism.

A total of 2,666 screws in England and Wales were rapped between 2013 and 2018, according to data released under a Freedom of Information request.

The most common reason for discipline was breach of security, which includes bringing drugs and mobiles into prisons.

The Ministry of Justice disclosed that 204 staff were disciplined for assault or unnecessary use of force against prisoners, while 64 prison officers had "inappropriate relationships" with a lag.

A spokesman said: "The vast majority of prison officers carry out their duties to the highest standards."

GMB KATE: MY SEX EVERY DAY!

By JAYNE FERGUSON
news@sundaysport.co.uk

TELLY host Kate Garraway makes herself have SEX every single day – and even has a SPREADSHEET to keep track.

The *Good Morning Britain* presenter confessed her saucy secrets after revealing in her book *The Joy Of Big Knickers* that she had tried a 14-day sex challenge with her husband, ex-Labour spin doctor Derek Draper.

"When you've been in a relationship for a long time, the physical side of things can be very spontaneous," she said.

"So the idea is to schedule sex and force yourself to do it once a day and make it the focus of your diary.

Boast

"We got very organised and we created this space for intimacy."

Kate, 51, continued to boast how her sex life has got much better as she ages.

"When you're younger you want to be impressive, but when you get older I think there's a different kind of intimacy," she said.

"For women, sex only gets better as you get older, I think.

Kate also claimed she is looking forward to the

14-DAY BONKING TEST:

menopause, explaining: "The menopause used to signify the end but that's because, in the past, women didn't live much longer afterwards.

"Now we're in a whole new era and it's an exciting time.

"There are actually lots of studies that show the menopause is a great thing.

"It rewires the brain

in a positive way."

There are rumours floating around that Kate may be going into the *I'm A Celebrity* jungle this year, which the presenter denies.

"They haven't asked me," she said.

"I hate spiders and heights and I'm not good when I'm hungry, so that means they will probably ask me."

Binge-watch beats a bonk

MILLENNIALS would rather have a marathon Netflix session than sex, a survey has revealed.

Snowflakes prefer bingeing on box sets than getting under the covers, claims the respected *Wall Street Journal*.

A survey of 1,006 adults were asked if they had ever chosen to watch something on a streaming service over having sex with their partner in the past six months.

Amazingly, 26 per cent said they actually had – in fact, one in four of the people surveyed admitted they'd chosen marathon-watching over sex.

But when looking at only those aged 18 to 38, that grew to 36 per cent.

Psychology professor Dr Jean Twenge said: "It's easy to fall into the habit of letting 'just one more episode' become your entire night."

BEAUTY IS NICKED OVER DICK PIC BLACKMAIL

BUSTED BABE:
Breyanna Dean

A WOMAN was arrested for alleged extortion after she "maliciously posted pictures" online of a male victim's cock and balls – and then demanded money to remove them.

Police allege that busty beauty Breyanna Dean, 24, posted the explicit photos "across multiple social media platforms in direct messages".

She used the the victim's old phone to access his social media and send the pictures, according to police.

The victim was unable to deactivate his accounts as Dean had allegedly changed the various passwords.

At one point, the complaint alleges, Dean "demanded the victim by written

communication to pay a monetary payment to stop her actions".

The victim is not identified in court filings, but he is believed to have been in a prior relationship with Dean.

Dean's actions "directly exposed the victim to disgrace," according to the legal complaint.

Mother-of-three Dean, originally from Massachusetts, was arrested on Saturday morning at her home in New Port Richey, Florida.

She was released from jail later that day after posting £8,000 bail.

Dean has been in trouble before and has convictions for disorderly conduct, careless driving and leaving the scene of an accident.

Man who kept teen sex slave dodges prison

A MAN who admitted keeping a teenage girl in captivity as his sex slave for over a year is NOT going to prison.

Michael Wysolowski, 33, pleaded guilty to cruelty to children and sentenced to 10 years, eight months of which would be served in prison.

But he received credit for the eight months he had spent jailed before receiving bail in February 2018 – so he'll walk free.

The rest of his 10-year sentence will be served on probation.

The victim was a teenage girl from Ballantyne, North Carolina who went missing for more than a year before being found in Wysolowski's home in Duluth, Georgia, in 2017, by the FBI.

Wysolowski (above) met the victim when she was only 15 in an online forum for people struggling with eating disorder anorexia.

Rape charges were dropped when he took a plea deal, though he has been placed on the sex offenders' register.

Fact me!

THE can-opener was invented in 1858 – 48 years after tinned food.

Sicko had sex with body of girl aged six

A SECURITY guard arrested for killing a six-year-old girl has admitted having sex with her CORPSE.

The girl went missing when she was playing with other children near her slum in a village in Haridwar, northern India, on Friday.

The accused, named only as "Sonu", who works at a neighbouring poultry farm, allegedly lured her into a forested area just yards from the village and tried to sexually assault her, but when the girl screamed, he strangled her and then violated her body.

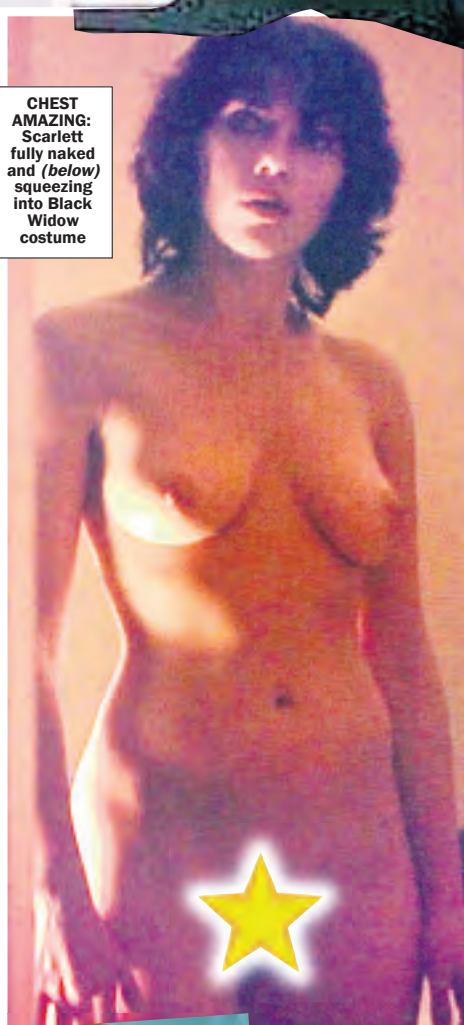

Superintendent of police Janmejay Khanduri said: "We have collected all the vital evidence needed to establish the crime."

"He has confessed to the crime and forensic evidence also confirms his involvement."

Amanda Holden got into the *Avengers: Endgame* spirit as she dressed up as Black Widow for an episode of *Celebrity Juice*.

The *Britain's Got Talent* judge channelled her inner Scarlett Johansson for the latest episode of the crude ITV2 panel show.

What's more, we've got snaps of both lovely ladies WITHOUT their superhero overalls.

Holden, 48, delighted fans as she shared a snap of herself dressed in a

black catsuit, black boots and a blonde wig with her leg outstretched.

"Caption this!! #Blackwidow @celebjuiceofficial @keithlemon," she wrote. "Would love to see some pics of you doing same pose #Holden-mylegup."

A few fans were quick to offer captions for the picture – including "my foot's stuck on the wall, but I don't want anyone to notice, so I'm just going to smile!" – and jokes about

stretching legs after "watching three hours of *Endgame*".

Others pointed out that Amanda didn't need superhuman powers to fall into bed with *Boon* star Neil Morrissey – an act of betrayal that left her wronged husband Les Dennis sobbing in public like a Frenchman.

But others were simply mesmerised by how "stunning" Holden looked in her latest upload, telling her that it was "one heck of an outfit".

Avengers: Endgame, starring Scarlett as Black Widow, looks set to be one of the biggest films of all time, smashing box office records all over the place.

OUR SERIES CONTINUES WITH THE MAN JAILED FOR THREE

'I've killed 48 women. Now try and prove it!'

BRITAIN'S SERIAL KILLERS

LOOKALIKE: Tobin bore striking resemblance to Bible John posters

MORE than 50 years have passed.

But just the mention of the name is enough to terrify women of a certain age and spark fierce debate as to his true identity.

The serial killer who is thought to have murdered three young women in Glasgow in the late 1960s achieved widespread notoriety after he was nicknamed Bible John.

His three known victims had several things in common:

They had all been dancing at the famous Barrowland Ballroom on the night they were killed.

They were all menstruating at the time of their deaths, all their handbags were missing and they were all strangled.

Dens

Their suspected killer was a young man who gave his first name as John.

He quoted texts from the Bible and spoke of how his father regarded dance halls – such as the Barrowland – as “dens of iniquity”.

He referred to Moses and also once said: “I don’t drink at Hogmanay. I pray.”

Despite a massive murder hunt and

repeated investigations since, the murders remain unsolved.

But police have come as close as they ever have to unmasking Bible John.

Many believe he is the same man who is currently languishing in jail, convicted of three other murders – those of Angelika Kluk, Vicky Hamilton and Dinah McNicol.

That man is Peter Tobin – a convicted Scottish serial killer and sex offender who is currently serving three sentences of life imprisonment with a whole life order at HM Prison Edinburgh for three murders.

Prior to his first murder conviction, Tobin served ten years in prison for a double rape committed in 1993, following which he was released in 2004.

Three years after his release, he was sentenced to life with a minimum of 21 years for the rape and murder of Angelika Kluk in Glasgow in 2006.

Skeletal remains of a further two young women who went missing in 1991 were subsequently found at his former home in Margate, Kent.

Tobin was convicted of the murder of

Vicky Hamilton in December 2008, resulting in his minimum sentence being increased to 30 years.

And he was convicted of the murder of Dinah McNicol in December 2009, resulting in a whole life order.

Tobin has been labelled a psychopath by a senior psychologist and by criminology professor David Wilson.

When he was convicted of the murder of Vicky Hamilton, evil Tobin taunted a prison psychiatrist that he had killed 48 women, then sneered: “Prove it.”

Strangled

A Britain-wide probe, Operation Anagram, investigated whether Tobin is linked to dozens of unsolved murders – including the Bible John killings.

The three murders still rank No1 in the unsolved list of Scotland’s crime files.

It was the morning of February 23, 1968, when the body of 25-year-old Patricia Docker was found in a Glasgow doorway. She had been strangled.

The previous night, she had been out dancing at a nearby club, the Majestic Ballroom in Hope Street.

On August 15, 1969, Jemima McDonald, 32, went for a night out at the Barrowland

Ballroom. The next day, she was found in an old building, strangled with her own stockings.

She had left the club at midnight with a tall, slim young man with red hair.

Just 77 days later, on October 31, 1969, Helen Puttock, 29, was found.

She had been to the Barrowland Ballroom the night before with her sister Jean Langford.

They met two men called John – one of them from the Castlemilk district of Glasgow.

Castlemilk John headed to George Square to get a bus while Helen, Jean and the other John got a taxi.

They travelled to the Scotstoun area, where Jean got out.

The taxi continued to Earl Street, where Helen lived.

Her body was found early the next day. She had been strangled and her handbag was missing.

The suspect was described by Jean as well-dressed, tall and slim with reddish, fair hair, polite and well-spoken. He mentioned texts from the Bible.

Artists then produced memorable sketches of the wanted man.

Several years ago, DNA technology was

used to link suspect John McInnes with the death of Helen.

There was a semen stain on her tights and a bite mark. McInnes' remains were exhumed but tests were inconclusive.

Among the detectives involved in the triple-murder hunt was Joe Jackson.

He went on to become head of Glasgow's CID, probing 150 killings.

His book, *Chasing Killers*, recalled the unusual methods used in the Bible John case.

He said: "I formed part of what the Press called the Marine Formation Dance team – detectives assigned to attend dance halls.

Dirty

"We'd dance with customers and question them while showing nifty footwork. It was a dirty job, but someone had to do it."

Jackson was convinced that Bible John was Tobin. He said: "I saw his photo after the church killing and thought 'This is as near Bible John as you're going to get'."

Tobin was 21, living in Glasgow at the time and a regular at city dance halls.

Around that time, Tobin launched a sex attack on his first wife, driven to violence by the menstrual cycle – a

factor in all the Bible John murders.

Tobin left Scotland in 1969 – the year the killings stopped. His DNA does not match the Puttock semen stains, but Jackson does not rule him out because the semen may not have been the killer's.

Tobin, now 72, met his first wife, Margaret Mackintosh, then 17, at a Glasgow dance hall in 1968. Soon he was raping, beating and strangling her.

Detectives issued pictures of a younger Tobin, who does bear a striking

similarity to the Bible John posters.

Another similarity was that eyewitnesses told police that the suspect had one tooth missing in the upper-right area of his mouth.

Dental records proved that Peter Tobin had a tooth removed around the late 1960s.

Detective Superintendent David Swindle, head of Operation Anagram, said at the time: "The picture might jog people's memories.

"Everything indicates that Tobin has probably killed other people."

Operation Anagram was wound down in June 2011, but its email address remains open.

So the question really is: Does the legend of Bible John live on?

Strip club blow for poll hopeful

A CANDIDATE in an upcoming general election has quit his anti-Muslim political party after video of him groping dancers in a strip club was shown on national television.

Steve Dickson had been Queensland state president of the One Nation Party and a senate candidate in Australia's forthcoming May 18 poll.

Dickson, 56, resigned from the party after Nine Network TV broadcast his antics in the Washington, DC, club in September, which were secretly videoed by Al Jazeera.

The Qatar-owned broadcaster reported that Dickson had flown to the U.S. to meet with pro-gun parties.

MAN IN BLACK

OFF TO JAIL:
Dobbie is led away

25 YEARS FOR LOVERS' LANE SEX KILLER

Cold case beast is caged at last

By COLIN HURST news@sundaysport.co.uk

A FUGITIVE has finally been jailed for murdering a man and raping two women during a string of attacks in the early 1980s.

James Dobbie, now in his mid-60s, was caged for at least 25 years – almost four decades after he preyed on couples in a quiet Melbourne lovers' lane car park.

Victoria Supreme Court Justice John Champion sentenced Dobbie for three separate attacks at Rowville's Police Paddocks Reserve in 1980 and 1983.

Dobbie raped two young women, then 18 and 21, at gunpoint in Melbourne's south-east.

Their boyfriends were tied up and forced to watch, helpless to stop him.

Father-of-two Rodney Mitchell tried to stop Dobbie's third attack.

Naked

When Dobbie stuck a gun through a car window, Mr Mitchell got out naked and lunged for the weapon.

He was shot and killed.

Dobbie then drove off with a woman in Mr Mitchell's car, but she threw herself from the moving vehicle and escaped.

Justice Champion said the victims had suffered "tremendous pain, suffering and trauma, the effects of

SHOT: Rodney Mitchell

which have been felt for almost 40 years and will likely continue for many more".

Dobbie fled to Cape Tribulation, north of Cairns in Queensland, after the shooting, remaining there until an anonymous tip to Crimestoppers in 2018 identified him as a suspect.

Justice Champion said without Dobbie's confessions in a police interview, prosecution could not have gone ahead.

And he noted that it took decades to reach the level that prompted confession.

MURDER SCENE: Lovers' lane

Drunk attacks 'Nazi' Merc

A MAN attacked a Mercedes with his scooter because he claimed it was a "Nazi car," say cops.

Thomas Vinh Luu, 38, told officers that "people should buy American" – before WEEING himself.

Luu also told police he had been drinking, and they observed he appeared to be in an "altered state of mind, remarking on military matters and celebrities, during his time in custody".

Luu was charged with vandalism and public intoxication and slung in the lock-up in Nashville, Tennessee.

SEXY Alexa Grace often finds it difficult to concentrate on every day things – because she's always thinking about shagging!

The 22-year-old busty beauty confessed she almost always feels **HORNY** – and loves thinking up naughty ways to spice up her sex life.

The Leicester-born babe revealed her steamiest fantasy of all – having sex in the cinema.

And the 30F stunna reckons it's all about the **THRILL** of being caught in the act!

She said: "They say men think about sex every seven seconds – and I probably think about it that often too!"

"I am a big fan of having sex where you know you shouldn't, so the cinema is top of my list.

"It really turns me on knowing someone could catch you at any moment.

"You'd have to be quiet. Or not – who knows!"

BEAST BONKED PITBULL

A TEENAGE perv was arrested after a family friend caught him on CCTV having sex with a pitbull.

Damian Barton, 18, has been charged with one count of crime against nature or sodomy.

Michigan State Police were called to investigate a report that a male had been caught on video engaging in sex acts with a dog.

The female caller reported that she was reviewing her home security video system when she saw Barton, a family friend, engaging in the sex acts with her bull terrier/labrador mix.

By GRACE HOOPER news@sundaysport.co.uk

Officers reviewed the video and spoke with witnesses.

The suspect was then arrested and held in Alpena County jail in Michigan.

The case was sent to the Alpena County Prosecutor, who issued a warrant charging Barton.

He was brought before court in Alpena, which is about 250 miles north of Detroit, and located on Lake Huron.

The magistrate ordered Barton, of Alpena, to be held on a \$5,000 (£4,000) bond.

He is due to appear again in court later this week.

If convicted, Barton faces up to 15 years in jail.

Smelly data leads to a dead end!

GOT a poor sense of smell? Kill you STONE DEAD, it will!

Older adults who had trouble recognising or telling apart common odours were almost 50 per cent more likely to die over a 10-year period than individuals with sensitive noses, researchers have found. Impaired smell sense

may flag up deteriorating health before it is recognised by doctors, so smell tests could become routine in GP surgeries.

Dr Honglei Chen, from Michigan State University, US, said: "Poor sense of smell becomes more common as people age and there's a link to a higher risk for death."

His team analysed data

from 2,300 men and women, aged between 71 and 82, who were then classified as having a good, moderate or poor sense of smell.

Compared with those having a good smell sense, people in the "poor" category were 46% more likely to die after 10 years and 30% after 13 years.

Woman 'lured Snapchat man into robbery'

A WOMAN has been arrested after she allegedly lured a man she met on Snapchat to a park where he was robbed and assaulted by two men.

Viviana Bruno (above), 20, picked up the victim for a date on April 4 and drove him to the park to "get intimate", say cops.

The pair were sitting in the back seat when Bruno said she was going to get a condom from the car boot.

After she got out, two men, one with a gun, dragged the victim from the car and beat him with knuckledusters.

Cops say Bruno was sitting in the front seat of her car "unbothered" during the attack.

The men demanded the victim's keys and phone before driving off in Bruno's car.

When the victim got home he found cash had been stolen from his bedroom. CCTV confirmed that a male suspect had broken into the home in San Diego, Texas.

Bruno was identified in a police photo lineup and charged with aggravated robbery.

Nut's trapped in a tunnel as he spied on ex

A MAN was rescued after he became trapped in a hole while spying on his ex.

Jilted Cesar Arnoldo Gómez had been ordered by a court to stay away from Griselda Santillán due to domestic violence charges.

But instead, he dug a tunnel underneath his former partner's house to spy on her.

Cops in Puerto Penasco, Mexico, said Gómez, 50, had spent days digging the tunnel but the plan backfired, when he became accidentally trapped.

He remained there for around 24 hours until Ms Santillán, his girlfriend of 14 years, discovered the tunnel.

Cops freed Gómez from and said he was severely dehydrated.

He has since been jailed for violating the restraining order.

TEACHER TOSSED TEEN PLAYER AFTER MATCH

SEIZED: Davenport gave teen at school (below) a 'reward'

A TEACHER allegedly wanked off a 15-year-old student as a "reward".

Kristin Davenport, 27, has been charged with three counts of sexual assault of persons in custody.

Educational bosses at Northside High School in the US state of Georgia have spoken out after Davenport was the third teacher in the county to be held in jail in the space of a week-and-a-half.

The Muscogee County School District said Davenport was arrested after a tipoff.

She was charged following an anonymous report filed on April 18.

And she was removed from school duty the following day.

The charges are believed to stem from her relationship with a student at the school.

Moral

Details of the alleged sexual assaults have not been made public.

But it's believed that on at least one occasion she masturbated the 15-year-old American football player as a "reward" for helping win a match against a rival school.

Davenport is still being held in Muscogee County Jail without bond.

Muscogee County Superintendent Dr David Lewis said: "We take these matters very seriously and we do not,

By JAYNE FERGUSON
news@sundaysport.co.uk

and will not, take any of this behaviour that compromises the moral and ethical standards to which we hold ourselves as educators.

"We will just not tolerate it. It is unacceptable and it cannot be tolerated."

The alleged incident involving Davenport comes after the arrests of two other teachers in Muscogee County in less than two weeks.

Victoria Cothran, 52, was taken into custody on April 18, accused of simple battery and trespassing.

And Alexander White, who was arrested two days earlier, is facing charges including child molestation.

THE WORLD FAMOUS AGONY Page

Dear Sam,

I'm a bloke and I have been a ladies' hairdresser since I left school – and no, I'm not gay.
Recently, I launched a mobile service and about a month ago I went to a house for an appointment with a woman who was absolutely stunning.
As I was cutting her hair I accidentally brushed my groin against her and she smiled as she felt the stiffy I was sporting.
And she continued to smile as she started to rub my hard cock and then slowly unzip my trousers.
It was my turn to smile as she took my eight-incher into her mouth and slurped on my manhood.
Then we moved upstairs and f**ked each other senseless for the next three hours.
Now she's a regular weekend customer and I'm wondering if I should start charging her for my extra services. Should I?

SL, Hampshire

Sam says...

NO. Just accept it as a perk of the job

Dear Sam,

I'VE been shagging my driving instructor, a sexy brunette lady, for months. I'm 18, still at college, and she is 35 and married.
She started flirting with me on my very first lesson and after the second she gave me a nosh on the back seat, parked up in a quiet country lane.
I couldn't believe my luck when she sucked me off for five minutes and then wrapped her 32D tits around my cock before I exploded all over them.

After my next lesson, I licked her out and she begged me to ram her from behind.
We have had sex in her car and at her house, because every other week her husband is on nights.
The problem is that I've deliberately failed my test twice now so I can keep seeing her.
But the lessons are costing me a bloody fortune.
What should I do?

TD, Leeds

Sam says...

PASS your test and she may give you MORE sex!

Bonking wife and home help is wearing me out!

Dear Sam,

MY wife and I both work full time and so we took on a nanny to help at home a few months ago.

She's a busty Australian and it wasn't long before we started shagging.

I was off work one day and saw her standing in her room starkers.

She beckoned me in and we were immediately kissing and groping each other, as she ripped my clothes off.

I lay her on the bed and licked her sopping pussy, then she got down on her knees and sucked me off like a pro till I filled her pretty mouth with my hot semen.

We had the most amazing sex and have been doing so for a few weeks.

My wife doesn't suspect a thing but the hired help keeps playing footsie with me under the table at shared meal times.

I'm infatuated with her and I've been taking a lot of time off work just to bonk her.

I've also been having sex with my wife in between, to keep her happy, but it's exhausting. I'm worried I'll lose them both – and my job – as I keep dozing at my desk. What should I do?

HM, Cheshire

Sam says...

EMPLOY a nanny who looks more like a granny, then you won't be tempted to shag her.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Should I dump my girl for showing sex film to pals?

Dear Sam,

ME and my girlfriend love a bit of light bondage and enjoy dressing up, role play and watching porn together.

A couple of months ago she got a new top of the range video camera and said she wanted to film us having sex.

I was totally turned on by the idea and we agreed to play our favourite sex game. I pretended to be a workman who finds a beautiful but frustrated and horny housewife crying out for a good seeing-to.

We set up the camera in the kitchen and she put on her sexiest undies – stockings, suspenders, basque, fluffy mules and a see-through gown over the top.

I got into overalls then went outside and rang the bell.

She came to the front door and got all flirty with me on the doorstep, like I was some stranger that she had the hots for.

Then she let me into the house on the pretext of fixing an appliance.

I was pretending to fix the tumble dryer in the kitchen as she bent over, showing her pert bottom in a tiny black G-string.

I was getting a huge lob-on in my overalls as she writhed around the kitchen, before coming over to me and kissing me deeply.

Then she sank to her knees and released my hard cock before taking me in her mouth – making sure the camera picked up every glistening inch of it disappearing down her throat.

Horny

We were both so turned-on she could sense I was about to blow my load right down her throat, so she withdrew her lips just in time.

We were still horny so we took the camera upstairs and shot another scene.

This time she got dressed in her favourite dominatrix outfit, which is black leather.

She tied me to the bed and took her time pleasuring me with her hands,

tongue and even a small whip she'd bought online.

I was quivering with desire as she straddled my face and let me lick her hard clit till her juices flowed over my lips and chin.

Then she slid onto my stiff cock and bounced hard on it until I felt my balls tighten and could take no more.

She cried out with pleasure as she rode as we both climaxed together.

The problem is, I've since found out that my girlfriend has been showing the clips to her girlie mates!

I'm wondering whether to dump her. What do you think?

FG, Derby

Sam says...

STOP moaning. Most men would love to be shown off to their partner's pals. Maybe she wants one of them to join you for a threesome!

Dear Sam,

THE only girls I can attract are really fat lasses – and I've shagged loads of them, even though it's hard getting my modest five-inch dick into all those layers of flab.

I have just come out of my apprenticeship as a pipe-fitter and have been given a much-needed and welcome pay rise.

But even with cash in my pocket I can't seem to pull girls with cracking figures.

Still, at least I find the fat girls will do almost anything for a shag.

Oral

As a result I have had more oral sex than a fella could wish for, they love licking dick, it seems.

And anal is often on the cards with the larger girls, too. In fact, I had one recently who would not have sex in any other position!

I lubed her up nicely and plunged my tool up her gaping back passage and pumped away at her ring until she screamed the house down.

But I still yearn for a slim, shapely looker with similar sexual tastes as the tubsters.

Are there any out there? How do I find one?

TC, Merseyside

Sam says...

I'd just take things as they come and think yourself lucky you're getting oral and anal virtually on demand.

I can't bear the idea of leaving hot lesbo nurses

Dear Sam,

A COUPLE of weeks ago two lovely young nurses moved into the flat above mine.

I saw them arrive and I couldn't believe how pretty they were, so I went to introduce myself. One is blonde and the other a redhead and they both have stunning figures.

We got chatting and I ended up going to the local supermarket for some wine for the three of us. After we'd had a couple of bottles one of the girls told me that they were living together as lesbians, but they occasionally liked cock, too.

Then she asked if I'd like to see what they get up to together. Naturally, I said that I would.

They started kissing and fondling each other's tits and fannies, sliding their fingers into knickers and making them wet with lust, before peeling them off so I could see the lot.

It was like watching a red-hot porn movie but with the attraction of being able to get involved.

While the blonde was licking out her mate I started shagging her from behind. I then had the redhead before they both sucked me off.

But the problem is the company I work for want me to relocate 200 miles away.

What can I do?

SJ, Bristol

Sam says...

YOU will probably have to accept and go, but I'm sure there will be randy nurses there too!

DO YOU HAVE A SEX PROBLEM?

MIDWEEK Sport CLASSIC

RACHEL GARLEY

By SIMON DEAN

simon@sundaysport.co.uk

WITH her gorgeous 36C boobs, Rachel Garley was a classic "girl next door" Page 3 girl.

And at her peak, she had millions of adoring fans.

Rachel burst onto the glamour scene in 1988 and continued thrilling booby fans until 1992.

She was quite a regular in *Midweek Sport* and even went on to pose with her lovely fanny out for various top shelf magazines.

And Rachel was often snapped out on the town with Page 3 pals Kathy Lloyd and Suzanne Mizzi.

After her topless career finished, Rachel became the 'muse' of flamboyant artist Sebastian Horsley.

The artist and self-styled dandy, who died aged 47 of a heroin and cocaine overdose in 2010, named Rachel as his sole beneficiary of his £445,000 estate.

A fan said: "I liked Rachel. She looked clean."

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where **YOU** get to choose the **stunnas** appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – **TOPLESS** or even **NAKED**. Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – **UNIQUE** to British newspapers – is totally **FREE!**

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

BILLIE RAE REA

MECHANIC Martin Abbott would love to tinker with red hot glamour girl Billie Rae.

The 44-year-old, from Wigan, begged to see a photo of 25-year-old Billie Rae and her sweater-stretching 34E boobs.

Martin's ultimate fantasy is for the Croydon babe to let him service her engine. He said: "Billie Rae is my all-time favourite woman, she's got huge boobs and gorgeous red hair."

"I'd love to give her a good check-over."

"And I'd probably have to insert my dipstick into her – just to check she's fully lubricated!"

BROOKIE LITTLE

FAST food worker Ben Claydon wants to serve up his sausage on topless stunna

Brookie's big ole baps.

The 23-year-old serves up burgers and hotdogs – but it's 25-year-old Bailey's 30Gs he really wants on his plate.

Ben, from Great Yarmouth, Norfolk, reckons Brookie, from Weymouth, Surrey, is the ultimate pin-up girl.

He said: "If she ever pops by, she'd be welcome to lick my sausage while I fondle her baps!"

REE PETRA

MILKMAN Nigel Phillips delivers pints in Plymouth, Devon – but there's only one girl he spills his own white stuff over.

The 48-year-old only has eyes for 31-year-old blonde bombshell Ree Petra, from Ipswich, and her massive 32GG boobs.

Nigel wrote to us: "Could I have a really nice topless picture of her please?"

"It would help give me something to do after my morning deliveries!"

REDS WILL GRAB VITAL AWAY GOAL

LIVERPOOL travel to the Nou Camp this evening for their Champions League semi-final with Barcelona. The winners will be warm favourites in the Final in Madrid on June 1 and I would be surprised if the Reds failed to score at least one valuable away goal.

Barcelona retained their La Liga title when they beat Levante 1-0 on Saturday, but I feel they will struggle to cope with the pace of Sadio Mane and Mo Salah.

Barca are unbeaten in 31 home Champions League games but the Reds have never lost at the Nou Camp in four previous visits (W2 D2) and I expect Jurgen Klopp's side to maintain that sequence.

Lionel Messi has scored 24 goals in 32 Champions League clashes with Premier League opposition, but he has failed to score in his two against Liverpool. Messi showed against Man United in the quarter-final he remains at the very top of his game. How Liverpool cope with the little magician might be key to the tie.

Barcelona have only conceded 15 in their 31-game unbeaten home run but both Mane and Salah are at the very top of their game at present. French central defender Clement Lenglet has been a revelation this season but I wonder if his partner Gerard Pique will find the Reds speed of thought and action just too much.

Liverpool are 3/1 at BetVictor to win this evening's tie with the hosts a shade of odds on (20/23) to take a lead back to Anfield on Tuesday with the draw at 14/5. The Reds are 6/5 to qualify for the Final at BetVictor and are 9/2 to win this evening with over 2.5 goals in the game and that is the recommendation.

Outsiders

Arsenal meet Valencia in the Europa League quarter-final at the Emirates tomorrow. Unai Emery was Valencia coach for four seasons and the Gunners' boss is in the last four of the Europa for a record fifth time.

Valencia's former Arsenal midfielder Francis Coquelin will miss the 1st leg through suspension and I feel the hosts will take a lead back to Spain despite another poor performance on the road on Sunday.

Valencia have lost their last two La Liga games. Arsenal may have also lost their last home game but they remain formidable at the Emirates and I will disappointed if they don't take a lead to the Mestalla.

The Gunners are 9/10 with BetVictor to gain a first leg lead with Valencia 29/10 and the draw at 13/5. Chelsea are 11/8 favourites to lift the Europa League Final in Baku later in the month with Arsenal 9/4, Valencia 10/3 and Eintracht Frankfurt the 6/1 outsiders.

Eintracht Frankfurt entertain Chelsea tomorrow and the Germans must take a lead to Stamford Bridge. The Bundesliga outfit are unbeaten in 10 home Europa League games and the Blues have their share of injury concerns with Anthony Rudiger the latest.

Chelsea look worthy Europa League favourites although they may have to settle for a draw tomorrow night. The Blues are 6/4 to win in Germany with the hosts 7/4 and a draw 12/5 at BetVictor.

CITY'S EXPERIENCE PROVING VITAL SAYS STONES

JOHN Stones believes Manchester City's title-winning experience has been crucial this season.

By PAUL THOMAS

The Blues look set to retain their Premier League crown, needing victories against Leicester and Brighton to complete the job.

At one point they were 10 points behind Liverpool but the Reds suffered a run of draws and were beaten on their trip to the Etihad, which turned things around.

Stones points to the experience around City and thinks that has made a big difference as they didn't panic when staring at such a big deficit. The England defender

said: "It's a different scenario, last season the league was done by now. It's a strange situation because some of us haven't been in this situation before."

"I think Vinny Kompany) said that these are the times when it brings the best out of you as a player, but him as a player, David Silva, Sergio Aguero and a few of the others have been in this situation before."

"They know what the feeling is, how to get the best out of it."

"We've got to be guided by those and try to take everything in. It makes everything

exciting, keeps everyone on our toes."

"If you ask me if I'd prefer to win it like last season, I'd say yes, but the situation we are in we're really enjoying, trying to go with the flow, take everything in and keep putting the performances in."

Fight

Stones says having Liverpool breathing down their neck has inspired City to dig ever deeper in recent weeks.

They scrapped for a 1-0 win at Burnley on Sunday and are ready to fight for the two wins they need.

Stones added: "I wouldn't say it's keeping us motivated — because everyone is moti-

vated to win and lift the Premier League — but it's making us hungrier to keep winning, keep the pressure on and keep fighting until we can't any more."

"It's exciting to be part of it."

Meanwhile, it looks as though City defender Danilo is on his way to Inter Milan this summer.

The Brazilian has been in and out of the side since moving to the Etihad two years ago for £26m.

He has made just nine Premier League starts this term and has made it clear he wants to move to the San Siro — even for £20,000 a week less in wages. Inter will pay City £15m to sign him.

HENDO'S OUR NEW No8

Jordan goes on attack in new position

JORDAN Henderson is like a new signing for Liverpool in his rejuvenated attacking midfield position.

The Reds skipper has been rejuvenated as a No8 in recent weeks after spending years shielding the back four — which Jurgen Klopp now admits was a “mistake” on his part.

The change came when Liverpool were limping to a lame draw at Southampton last month. Henderson was thrown on a second-half sub and turned the game around with a goal and an assist.

Since then he has been deployed further up the pitch and created other goals in the process.

Klopp said of the 28-year-old: “Hendo is a brilliant player.

“I’m really happy he can show that again.

“He likes that position so it is my fault he played for one and a half years as the holding player, but we needed him there.”

It was Henderson himself who asked to be moved further up the pitch after playing there for England.

He said: “Me and the gaffer just had a conversation.

“Obviously he saw the England games. I felt good playing in that

position. I felt more natural and it was something he said he would think about. I can do both positions and he sees I can do both.

“It’s basically what he wants and needs. I felt more comfortable and natural in that position for England, creating chances further up and doing what I enjoy doing.

“At the same time when I played No 6 I felt I’ve learned that position really well.”

Henderson is likely to be a bit deeper as Liverpool head to the Nou Camp to take on Barcelona tonight.

The Reds were boosted as fitness doubt Roberto Firmino took part in training yesterday.

He missed Friday night’s win over Huddersfield with a torn muscle but appears to be fit to face the Catalans.

Pricey

There was also a slight doubt about Mo Salah’s fitness but he also played a full part in the session. There was no sign of the thigh injury he supposedly picked up at the weekend.

Meanwhile, Liverpool No 2 keeper is too pricey for Bruges who want him this summer.

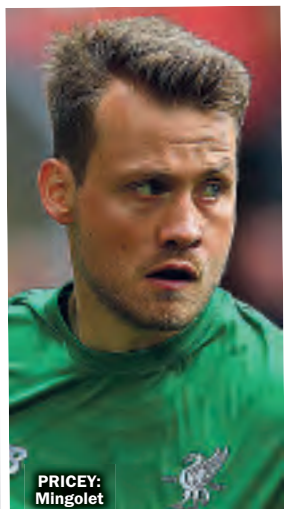

The 31-year-old knows he has no future at Anfield thanks to the form of Alisson Becker.

He has played in just two cup defeats this season and was expected to make the move to Bruges at the end of the campaign.

But it appears that his wages are too steep for the Belgians so the move to his homeland could be off.

Mignolet pockets an amazing £100,000 a week at the Kop and, while Bruges are happy to pay the £4m transfer fee, they can’t come close to that figure.

Standard Liege are also interested but are in the same boat.

Queen has Power for Ascot success

WINNING POST WITH BEN MORGAN

I AM a big fan of today’s Ascot card as it tends to keep on giving year in year out.

A few runners today will hold Royal aspirations and it will be interesting to see which ones do make the meeting in mid June.

One horse I do hope we will see is **QUEEN POWER** (NAP) as Sir Michael Stoute’s newest recruit looks well above average.

King Power Racing seem to be reaping the rewards for their steady investment in racing over the past few seasons and with top jockey, Silvestre De Sousa in the saddle, I don’t see their success stopping any time soon.

The selection won her maiden in good style when under the care of Ralph Beckett and the form has a strong look to it.

The Sagaro Stakes looks an interesting race this year and there are many lines of form clashing in this.

There are a few handicappers taking the step up which muddy the waters slightly but with the ground riding good, I will find it very hard to resist **VERDANA BLUE**.

Deadly

Nicky Henderson’s mare is a classy animal when conditions are good or better as she showed when hosing up in the Scottish Champion Hurdle last time out.

This rates as a huge step up from what she has been competing in on the flat but I think her turn of foot could prove deadly in a field where there is no outstanding candidate.

All eyes will be on **CALYX** as he makes his return and connections have made the right decision to miss the Guineas. John Gosden’s charge looked a real topnotcher when winning the Coventry last year and I think he will have little problem stepping up to the top table this year. He looks like a banker.

I’m taking a punt on **MERCHANT OF VENICE** in the last as James Fanshawe’s improver looked unlucky last time. All his runs have come on the all weather, but I hope for improvement now switched to turf for the first time.

OLE WANTS HELPING ANDER

OLE Gunnar Solskjaer is making a last bid to keep Ander Herrera at Old Trafford.

It looks as though the Spaniard will leave for Paris St Germain on a free when his contract expires at the end of the season.

But he’s so important to the Reds that one last desperate bid will be made to give him a new deal.

Herrera has emerged as one of the key men since Solskjaer took over from Jose Mourinho.

It was when the midfielder was forced out with injury that

By ANDY MILLOM

United’s recent problems started. He came back against Chelsea at the weekend to stop the rot of defeats.

Without him in the side, since Solskjaer took over United have lost six of the 12 games and managed less than a point per match.

With Herrera pulling the strings in the middle, the Reds have won 11 of 15 — the form that took them back into the race for the top four. With those

numbers, it’s small wonder that Solskjaer wants him to stay.

The manager said: “Talks are still ongoing but I can’t really comment too much on how far down the line they are.”

Off the pitch, United are reportedly in talks with Rio Ferdinand for him to become their sporting director.

He’s one of several candidates in the frame with the club clearly wanting someone with a link to Old Trafford.

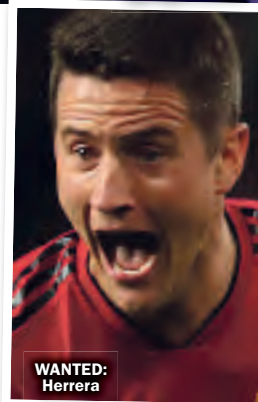

Ferdinand spent 12 years with the Reds during their most successful spell under Sir Alex

Ferguson. Chief executive Ed Woodward wants to bring in a sporting director to look after transfers and take some of the heat off Solskjaer.

Ferdinand has been outspoken in his criticism of recent signings at the club.

He said: “I still think Manchester United carry the weight in terms of the exposure a player will get once they come here.

“But the recruitment in the last few years has probably not been at the level you would probably want from this club.”

KIER WE GO TO REDS

KIERAN Trippier is set for a move to Man United after Spurs turned down a bid for him from Napoli.

Mauricio Pochettino wants a new right-back in the summer and will allow the England star to leave.

Napoli have made the first move of just £20m for the 28-year-old. Spurs are looking for at least £30m for a player they signed three years ago from Burnley.

By JOHN ANTHONY

United are keen and the player wants to move back to his native north-west having been born in nearby Bury.

The Reds are also likely to sign Spurs central defender Toby Alderweireld for his £25m release clause this summer.

The fact that the pair have played together is a big draw for United boss Ole Gunnar Solskjaer.
